NEWS

Back to School puts Arjan apartments in focus

Well-priced, family-friendly Arjan is being reviewed and shortlisted by many families ahead of September, the month when most families arrive in Dubai to begin schooling and prepare for private and international schools. Accessibility, safety, affordability and lifestyle are key priorities, and Arjan's potential appeal seems to factor over number-crunch.

NEWS

White & Co.

The summer did not empty out. July closed at 460 SA-backed sales (-10% vs June), with Arjan, with all eyes on the end of deals. August held the pace. Rents are where the market is moving. Q2 saw 9,000 new leases, +14% and 28,300 units rent in H2. Pivoting to current evidence is the whole game now.
