Dubai Property Deals Hit Record In July

- Dubai's real estate market hit a record in July 2024 with over 17,000 transactions worth Dh55.5 billion, marking a 59% increase in transactions, when compared to July 2023.

White & Co News

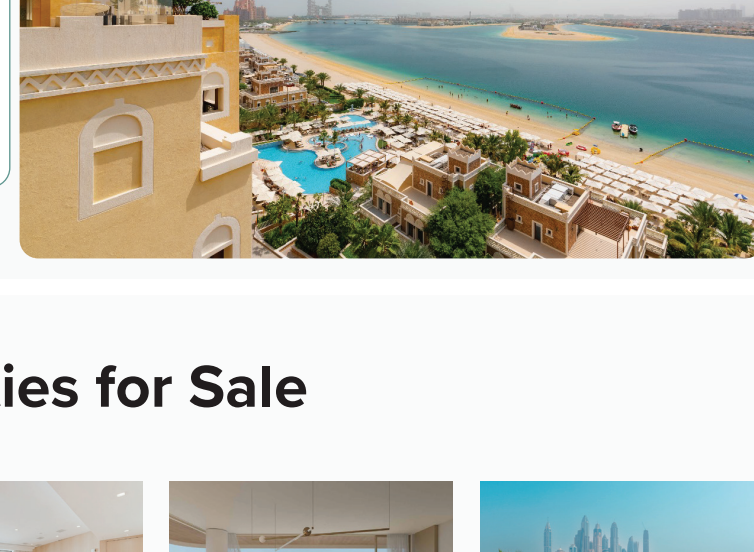

- White & Co continue to buck the trend of the summer months with consistent growth month on month.

Mortgage Updates

- Mortgage activity is up as banks lower rates, with Abu Dhabi Islamic Bank recently dropping below 4%. Four banks now offer rates under 4%, and more reductions are expected by year-end.
- After July's record in Dubai, transactions are surging as lower rates boost borrowing and attract more buyers.
