

Creek January Market Report

News

Starting February 1, the UAE Central Bank's new policy requires buyers to pay the 4% Dubai Land Department (DLD) fee and 2% broker commission upfront, alongside the down payment. Historically, 80% of these costs could be included in the mortgage, but buyers will now need an additional 4.8% in available capital. While this doesn't increase property prices, it enhances financial transparency and preparedness, ensuring a more structured, sustainable, and confidence-driven real estate market in Dubai.
