The Greens Apartments Maintain Strong Rentals

The Greens apartment market continues to demonstrate strong resilience in May 2026, supported by limited new supply and consistent demand for one to three bedroom apartments across the community. Stable occupancy levels, mature landscaping, lifestyle-focused amenities and central connectivity continue attracting both end-users and long-term tenants.

NEWS

White & Co.

Dubai's market has settled into a more balanced, buyer-led phase through May. The two-year property investor visa has also been eased, with the AED 750,000 minimum scrapped for sole owners and a new AED 400,000 floor introduced for joint ownership. Meanwhile, White & Co continued expanding across sales and leasing.
