JVC's Resilience Holds Despite a Reshaping Development Pipeline

Jumeirah Village Circle continues to demonstrate its resilience as one of Dubai's most liquid residential markets. While a significant development pipeline is reshaping the community, sustained demand from residents and investors alike is supporting transaction activity, with new branded and lifestyle-oriented projects helping to reinforce its appeal within the off-plan sector.

White & Co.

As Dubai heads into summer, demand is holding firm. White & Co closed the first half of 2026 as the city's number one for secondary sales transactions on Bayut and Property Finder, and posted its strongest leasing month on record. Buyers and tenants stayed active through June, proving Dubai's market doesn't cool the way the season suggests.
