NEWS

Premium Defensive Asset Amid Market Stabilization

The Springs is behaving exactly like a premium defensive asset during a macro-market stabilization phase. Free from the delivery-uncertainties of unbuilt off-plan pipeline clusters, it serves as a highly liquid, cash-flow-heavy alternative for buyers prioritizing immediate occupancy, long-term community stability or reliable, predictable mid-market rental yields with sustained end-user demand.

NEWS

White & Co.

Dubai's market has settled into a more balanced, buyer-led phase through May. The two-year property investor visa has also been eased, with the AED 750,000 minimum scrapped for sole owners and a new AED 400,000 floor introduced for joint ownership. Meanwhile, White & Co continued expanding across sales and leasing.
