NEWS

DAMAC Hills 2 maintains momentum across villa stock

Rising prices and sales volumes point to continued strong demand across villa and townhouse communities, while off-plan activity remains a key driver of market momentum. The combination of limited ready supply and sustained buyer interest has created a competitive environment, with demand now concentrated on projects at different stages of development and delivery timelines.

Interest rates starting from 3.75% Fixed for 1 Year or 4.79% 3 Years
