No.1 for Secondary Sales in Dubai, 2024 — Property Finder & Bayut

NEWS

The Valley develops a deeper secondary market

As new communities in Dubai continue to launch, the Valley is increasingly contributing to the city's secondary market activity. In Q3 2025, 1,000+ properties changed hands, reflecting a 20% increase compared to the same period last year. This growth is driven by a mature community base, increasingly prudent regional buyers, and long-term liquidity.
